

ENERGY STAR® APPLIANCES REGIONAL FUN FACTS

CHANGE FOR THE
BETTER WITH
ENERGY STAR

Partners may use the following spreadsheet to craft fun factoids on savings from ENERGY STAR® qualified appliances. These factoids are tailored to cities in particular regions and based on the price of goods or services typically associated with that region. The spreadsheet provides savings for appliances in 11 cities: Atlanta, Boston, Chicago, Idaho, Miami, Minneapolis, Philadelphia, San Francisco, Seattle, and Vail.

A few sample factoids appear below:

FOR SEATTLE (THE NORTHWEST)

Purchase an ENERGY STAR qualified clothes washer and, over the lifetime of the machine, you'll save enough money on your utility bill to buy 190 Café Lattes.

FOR VAIL (THE SOUTHWEST)

Purchase an ENERGY STAR qualified refrigerator and, over the lifetime of the unit, you'll save enough money on your utility bill to buy 46 hot chocolates after you hit the slopes.

FOR CHICAGO (THE MIDWEST)

Purchase an ENERGY STAR qualified room air conditioner and, over the lifetime of the unit, you'll save enough money on your utility bill to feed 7 people Chicago-style deep-dish pizza.

FOR ATLANTA (THE SOUTH)

Purchase an ENERGY STAR qualified dishwasher and, over the lifetime of the machine, you'll save enough money on your utility bill to buy 10 hot dogs at an Atlanta Braves game.

Products that meet strict energy guidelines set by the U.S. Environmental Protection Agency and the U.S. Department of Energy earn the ENERGY STAR.
